Resume

Cover Letter 

Searchability

IMPORTANT

Applicant Tracking Systems (ATS) are computers that process your resume to understand your work history and relevance to the job description. These findings typically include your work history, job titles, relevant skills and education, as well as contact information like your name, phone number, and email address.

Tip: Complete all checks below to ensure your resume is easily searchable by recruiters and ATS.

ATS tip

You've added a company name (Tek Systems Global Services) and web address (<https://www.teksystems.com/en/>) which can help us provide you ATS-specific tips.

Contact info

You provided your phone number.

You provided your email.

Feedback 

		You provided your physical address.
Job title match		<p>The job title Dotnet Full Stack Developer, from the job description is also found in your resume. We recommend this to be the case to ensure you're found when recruiters search by job title.</p> <p>Incorrect job title in the job description?</p>
Education match		<p>findings.resume.educationMatch.passingCopy.noDegreeRequired</p> <p>Update required education level</p>
Section headings		<p>Name your experience section "Work History" or "Professional Experience" for ATS to recognize work sections.</p>
Date formatting		<p>The dates in your work experience section are properly formatted.</p>
File type	  	<p>You are using a .pdf resume. Most ATS can process .pdf files but more accurately process .docx files. Consider using a .docx file instead.</p> <p>Your file name doesn't contain special characters that could cause an error in ATS.</p> <p>Your file name is concise and readable.</p>

Hard skills

HIGH SCORE IMPACT

Hard skills enable you to perform job-specific duties and responsibilities. You can learn hard skills in the classroom, training courses, and on the job. These skills are typically focused on teachable tasks and measurable abilities such as the use of tools, equipment, or software. Hard skills have a high impact on your match score.

Tip: Match the skills in your resume to the exact spelling in the job description. Prioritize skills that appear most frequently in the job description.

Soft skills

MEDIUM SCORE IMPACT

Soft skills are your traits and abilities that are not unique to any job. Your soft skills are part of your personality, and can be learned also. These skills are the traits that typically make you a good employee for any company such as time management and communication. Soft skills have a medium impact on your match score.

Tip: Prioritize hard skills in your resume to get interviews, and then showcase your soft skills in the interview to get jobs.

Skills Comparison	Highlighted Skills
<div> No matching soft skills We did not find any matching soft skills in your resume that's included in the job description. We recommend that you update your resume and rescan.</div>	

Other keywords

LOW SCORE IMPACT

Other keywords are words included in the job description more than 3 times and not hard skills or soft skills. These words are typically buzzwords, industry lingo, or company specific jargon that may be unique to the specific company and help your resume get noticed. Other keywords have a low impact on your match score.

Tip: Spend less time including these in your resume on a case-by-case basis.

Recruiter tips

IMPORTANT

Word count	 There are 408 words in your resume, which is under the suggested 1000 word count for relevance and ease of reading reasons.
Measurable results	 We found 0 mentions of measurable results. Consider adding at least 5 specific achievements you had in your job (e.g. time saved, increase in sales, etc).

Feedback ×

Job level match

Your years of experience align with the role's requirements. This is a positive start, but remember to carefully review all other job criteria to ensure you're a strong overall match before applying.

Words to avoid

The tone of your resume is generally positive and no common cliches and buzzwords were found. Good job!

Highlights

Web presence

Linking to a website builds your web credibility. Recruiters appreciate the convenience and credibility associated with a professional website.
